

Town of Jonesville Recycle Pickup

To: All residents of Town of Jonesville

Waste Management of The Piedmont (WM) and Waste Management Recycle America (WMRA) appreciate the opportunity to provide you curbside recycling collection in your community. Each residence has received 1-65 gallon cart to use to place all of your recyclable material in, and your collection will be provided every 2 weeks.

Your carts were purchased by the Town of Jonesville and are not the property of Waste Management. You will need to contact Public Works if there are any issues with your cart that are unrelated to our collection. Washing your recyclables will prevent a build-up in your cart.

COLLECTION

Service will commence on Tuesday 8 February. Please have your cart placed at the curb on Tuesday morning by 6:00 am, and allow a minimum of 3 feet of spacing from mailboxes and your trash receptacles. **The handles of your cart should face your house and not the street.**

HOLIDAYS

During weeks where an observed holiday falls before or on your scheduled collection day, we will collect your recyclables the day following your scheduled service day. In cases of inclement weather, we will provide service as soon as it is safe to do so.

Acceptable Items:

Junk Mail and Office Paper

- Shredded office paper may be placed in a brown bag in such a way as to reduce litter.

Chipboard

- Cereal boxes, paper towel rolls, facial tissue boxes, etc. (usually brown or gray inside without a waxy finish).
- Remove all foil or plastic liners

Newspaper

- Clean newspapers and their inserts

Magazines and Phone Books

- No binders or spiral notebooks

Plastics

- #1 through #7 Plastic Bottles (numbers can be found on the bottom of bottles).
- Remove caps and discard
- Rinse

Aluminum and Steel Food and Beverage Containers

- Rinse
- Lids only if still attached

Glass Food and Beverage Jars and Bottles

- Remove caps and lids and discard
- Rinse
